**Who should confirm/add to this list of work with local, tribal, state and federal agencies?**

EPA Region 8 is coordinating the incident with EPA Regions 6 and 9, the States of Colorado and New Mexico, and the Navajo Nation and Southern Ute Tribes as well as the San Juan County Basin Health Department Colorado and the

EPA Region 8 is coordinating with ATSDR in response to public health concerns/questions associated with the mine waste plume. ATSDR has been in communication with local health officials at San Juan County Basin Health Department in Colorado.

The Colorado Fish and Wildlife Conservation Office is monitoring effects on wildlife and aquatic life in the affected area.

EPA Region 8 has contacted the US Fish and Wildlife Service and the US Department of Interior about the incident, and is working with the US Geological Service on water flow data in Cement Creek and the Animas River.

EPA Region 9 has contacted the Bureau of Indian Affairs regarding potential impacts to the Navajo Nation.
